ADDRESS OF
FRANKLIN AMI LATIMER, Potentate
ANNUAL MEETING, DECEMBER 26, 1919

To the Officers and Nobles of Melha Temple, A. A. O. N. M. S.:

Dear Nobles:—

Once again we are met in Annual Meeting to review the records and results of another year in the life of Melha Temple.

Twelve months ago tonight our beloved country was beginning to emerge from the carnage and devastation of War. Armed conflict has indeed ceased, but we as a nation are passing through a great period of turmoil and unrest, not unlike a ship upon the mighty deep, with little in the way of chart and compass for guidance. At such a time it is meet that we should be silent and allow the words of Allah, the undying, to speak, that we may reflect in our lives and actions those principles of true citizenship which every Noble professes. While the dark clouds of distrust still hover over the horizon, yet through faith we see the scattered rays of sunshine and hope, betokening the advent of the great day of "Peace on Earth and Good Will Toward Men."

While such are the conditions which we have met in the outer world, yet within, our organization has been blessed with harmony and true fellowship. The

earnest and hearty support given your Potentate and officers has rendered their service through another year a pleasure and satisfaction. With such enthusiastic co-operation Melha Temple may justly look forward to the coming years with confidence, expecting still greater things, temporal and fraternal.

CEREMONIALS

During the year two ceremonial meetings have been held, at which time about 250 novices were conducted over the hot sands of the Desert to Mecca, where they received the rewards "that await the faithful." Both of these meetings were largely attended, there being present nearly 3,000 Nobles. It is a matter of regret that we could not have been honored with the presence, at our May Ceremonial, of Imperial Potentate Elias Jacoby of Indianapolis. His itinerary would not permit of him being with us at that time, but earlier in the year he visited us and we gave him an informal reception at the Club House in the evening, at which time about 300 of the Nobles had the pleasure of meeting him.

SOCIAL ACTIVITIES

During the past year many socials and Ladies' Nights have been held at the Club House, all of which have been largely attended and given renewed evidence of the great need of enlarged quarters. About once a month there have been held Smokers at the Club House, with an average attendance of nearly one hundred. These events, under the direction of Noble Henry N. Bowman, have been informal, delightfully entertaining and instructive. It is to be hoped that these affairs may be continued in the future. In June about 150 of the Nobles and their ladies enjoyed a supper and dance at Mt. Tom. In July our annual

Clambake was held at Riverside Park, at which time more than 450 of the Nobles and ladies were present. Early in September fifty automobiles, with 150 of our members and their wives, enjoyed a delightful outing at Lake Spofford, N. H. This place, so easy of access and enjoyable in its appointments, seems to lend itself peculiarly to our tastes and requirements, and many of the Nobility have expressed the hope of another pilgrimage to this charming "Lake of the Woods."

The Order of the Mystic Shrine is pre-eminently social as well as fraternal, and I hope this spirit of good fellowship and association together may continue to grow through the coming years.

FINANCES AND MEMBERSHIP

For particulars regarding our finances and membership, I refer to the detailed reports of the Treasurer, Recorder and Trustees. During the year now closing, our receipts have been the largest in our history, aggregating $23,841.00—the disbursements, including the payment of the mortgage on the Club House, have been $24,256.14—leaving a net gain in dollars and cents for the year of $8,084.86. A most gratifying result! The correctness of your Treasurer's and Recorder's books is attested by an audit made by a Public Accountant, which is presented herewith.

CLUB HOUSE

Our Club House property of 27 Sargeant Street was purchased in 1914 at a cost of about $19,000, including the adjoining lot. After remodeling, making it adaptable to our requirements, it has been used by the Nobility to the present time without material change or expense. During the past two years there has been an

aggregate attendance of over 8,000 people at the house. The popularity of the place has been repeatedly attested and the necessity of remodeling and enlarging it demonstrated beyond question, so that it may be a suitable place for the social life of the Shrine. With this in view, I recommend that a committee of seven be appointed to look into the whole matter, and to consider the advisability of making such reasonable improvement and alteration as our requirements and finances seem to warrant, making their report at a special meeting of the Temple to be held at an early date, at the call of the Potentate. Conservative and well-informed judges of real estate consider the property worth $30,000.

NECROLOGY

The black Camel of Death has visited our Oasis, and pausing, called the following Nobles from the Desert of an Earthly existence to the joys and rewards of the Unseen Temple:—

Frederick A. Morris, Dec. 28, 1918
John McCarthy, Jan. 2, 1919
Herbert Bosworth, Jan. 24, 1919
Alfred Woodward, Feb. 5, 1919
Capt. Chas. C. Smith, Feb. 8, 1919
Wm. J. Mackay, Feb. 15, 1919
Frank E. Stacy, Feb. 17, 1919
Alex. Carswell, Nov. 26, 1916
Chellis H. Michaels, Feb., 1919
Richard Davidson, Apr. 8, 1918
Eugene A. Graves, Aug. 10, 1919
Edw. Albert Morgan, Sept. 14, 1919
Dr. Abram C. Williams, Oct. 25, 1919
Percy A. Leighton, Nov. 18, 1919
J. F. Barker, Nov. 20, 1919
Frank B. Howard, Dec. 17, 1919

To the Nobility within the Unseen Temple!

Farewell: A little time, and we
Who knew thee well, and loved thee here
One after one shall follow thee,
As pilgrims through the gate of fear,
Which opens on eternity.
Yet shall we cherish none the less
All that's left in our hearts meanwhile;
The memory of thy faithfulness
Shall round our weary pathway smile,
Like moonlight when the sun has set—
A sweet and tender radiance yet.

CHARITY

There have not been many calls for assistance during the year. Several of the Nobles who were unfortunate have been assisted temporarily over a rough pathway and to more comfortable conditions. There are, however, two or three opportunities at the present time before us to extend the helping hand, which should be looked after carefully and dealt with characteristically. Yesterday we provided a Christmas dinner in fifteen fatherless homes, where around the widowed mothers were gathered forty-four children.

PATROL AND DIRECTORS

I wish at this time to acknowledge my great obligation to the Arab Patrol, and to their prompt and generous assistance to me in all of our work. Such a Patrol as ours is indispensable to the Potentate and a great credit to the Shrine. The members of the Directors' Association have rendered a great service in the second section of our work. The spirit shown by them has been commendable and their work merited

well deserved praise even outside of our own Oasis. The hearty and enthusiastic co-operation of both of these organizations shall be a pleasant memory in the coming years.

RETROSPECT

And now in closing, will you join with me in a backward glance over the two years that are gone? Time has dealt kindly with us and bestowed bountiful sheaves of harmony and prosperity. Our granary of good fortune, friendship, and material prosperity is full. In these two years we have made a net gain financially of $13,500.00 and in membership 450. Through the united efforts of the officers and members pulling the load together, you have attained the high plane of success for which one and all have so earnestly labored. As for myself, my pleasure comes through having been permitted to serve with you, and the hope that as I close my official life in Melha Temple I may retain the regard and esteem of my Fraters.

"Let me live in a house by the side of the road
Where the race of men go by,
The men who are good, and the men who are bad,
As good and as bad as I.
I would not sit in the scorner's seat
Nor hurl the cynic's ban.
Let me live in a house by the side of the road
And be a friend to man.
I see from my house by the side of the road,
By the side of the highway of life,
The men who press with the ardor of hope,
The men who are faint with strife,
But I turn not away from their smiles or their tears
Both parts of an infinite plan.
Let me live in a house by the side of the road

And be a friend to man."

Es Selamu Aleikum!

Sincerely Yours in the Faith,

FRANKLIN A. LATIMER,
Potentate.

PRESIDENT'S REPORT

Springfield, Mass., December 11, 1919.

NOBLES OF THE ARAB PATROL ASSOCIATION OF MELHA TEMPLE:

I am pleased to submit herewith my report for the year now ended, and to render an account of my stewardship. As your President, my duties have been rendered very pleasant owing to the splendid co-operation and loyal support of both officers and members.

MEETINGS

We have held eleven regular meetings during the year, and I think you will agree with me that the average attendance has been unusually good. At four of our meetings a dinner was provided by our entertainment committee, and this feature has, I am sure, been much appreciated by our members.

MEMBERSHIP

We have elected thirty-eight new members, two have been reinstated and two suspended, giving us a total membership at the present time of two hundred and four. It is gratifying to see so many new members coming into our association, but we should not overlook the fact that merely enlarging our roster will not necessarily help us to accomplish the purposes for which we exist. We need new members, but we need live ones. We need members who are willing to give us service, who are willing to boost the Patrol and boost the Shrine.

ENTERTAINMENTS

I will briefly mention some of our social activities, all of which were thoroughly enjoyed. On March 7 the Annual Shrine Ball, given under the auspices of the Patrol Association, was held in the Auditorium, and I think Springfield has seldom seen a more brilliant event of its kind. On March 18 a party of about seventy, made up of our members and ladies, went to Westfield to partake of one of Noble Buschmann's famous pig roasts. After dinner the evening was spent in dancing and a general good time. Noble Buschmann, as usual, did himself proud, and my only regret is that a larger number did not attend. Through the generosity of Noble Henry J. Perkins, we were enabled on May 16 to have an innovation in the shape of an open air dance at Riverside Park. Noble Perkins co-operated with your committee in a splendid way, and to him much credit is due for giving our members and their friends a wonderful time. We have had two Ladies' Nights here at the Shrine Club, the first on June 12, the other on September 25. Judging from reports which I have heard, these events were well received, and I hope they may become a part of our regular activities. This is a fitting time to express my great appreciation to the Entertainment Committee and to the other members of our Association who have given so unstintedly of their time to make these events a success.

MILITARY PATROL

While you will hear from Captain Hamilton regarding the doings of the Military Patrol, I cannot refrain from saying that we have a Patrol of which every member of the Association is justly proud, and one

that does credit to Melha Temple whenever and wherever it represents her.

RECOMMENDATIONS

It was suggested that a musical organization should be formed by our Association and a committee was appointed to formulate plans for carrying out the project, but I think little has been accomplished as yet. I hope, however, we may still go ahead with the idea, as there are, it seems to me, great possibilities in connection with it.

In closing, I wish to thank the Potentate for his assistance and advice, the officers and members for their loyal support at all times, and the committees for the splendid way in which they have performed the duties assigned them. It would not be fitting to close this report without gratefully acknowledging the courteous treatment extended to me by our Secretary, Noble Turner, who has co-operated with me to the fullest extent.

Respectfully submitted,

A. C. WENTWORTH,
President.

REPORT OF THE CAPTAIN OF MELHA PATROL

OFFICERS AND MEMBERS OF MELHA MILITARY PATROL:

My dear Nobles:—

Again we meet upon the eve of another year, now passing into history, of the finest Patrol in North America, and it is with the deepest pride and satisfaction to review the great advancement which has marked your progress in all ways, particularly tactics and execution.

No one but yourselves know and fully realize the many hours of close application you have given to accomplish all that you have, for there is no play or sport in it, but hard work, every minute while upon the floor under command, that you may become efficient and graceful in the execution of formations. That you have accomplished all this has been demonstrated by you in a most marked manner upon several occasions, and each and every one has truly earned the great credit accorded you.

Self-confidence is founded on one's ability to do things. The Soldier is taught to defend himself with his rifle, and to take care of himself, also to do things in almost any sort of a situation; all of which gives him confidence in himself.

Respect for constituted authority, which is a part of the Soldier's creed, teaches him respect for himself.

"Unless you are ready to build up, don't tear down." Do not speak ill of your fellows, and don't criticise your Officers.

During the past year, we have held thirteen drills, including two Ceremonials, also Melha Victory Party.

On February 4, the Directors' Association having extended to the Patrol an invitation to be their guests, and partake of a bountiful supper prepared by its members, which was accepted, and a most pleasant and enjoyable evening was spent by all. Our hearty thanks are but a small measure for their generous hospitality.

May 1 our Potentate was host at a complimentary dinner at the Club House, which we attended and thoroughly enjoyed.

May 10, the big Ceremonial. At this time it had been arranged to have a short street parade. Sphinx Patrol of Hartford, having been invited to be our guests, were present. Owing to the weather conditions, which were not favorable for outside display, our Potentate deemed it advisable to cancel this part of the program, "which proved a wise move," as the rain continued the entire afternoon and evening. However, we gained more time on the inside with our guests. During the first Section, Captain Alexander entertained the Nobles with an exhibition drill by Sphinx Patrol, which was a treat to us as well as to the members of our Temple. They put on a beautiful display drill, all movements being executed to perfection. The various evolutions showed the careful and painstaking efforts of their most efficient Captain. At conclusion they were given great applause. Melha Patrol followed with our display drill. Your teamwork in the execution of manuevers was excellent.

At the close of Ceremonial, "through the courtesy of our Potentate," we escorted our guests to the Worthy Hotel, where a banquet had been prepared and good fellowship was supreme.

During the evening, Captain Alexander, in behalf of Sphinx Patrol, presented to Melha Patrol a beautiful

mahogany mantel clock, as an expression of the most friendly relations existing between us, "an emblem of time."

On October 25, Melha Victory Party was held in the Auditorium, and attended by a large gathering of Nobles and Ladies. The Military Patrol put on a very fine exhibition drill for the entertainment of all present, which was enjoyed by our Fraters and Ladies. The formations at this time were varied from those of the past, having thirty-six in line, exclusive of Officers. Your close attention, executions and alignments were excellent, and worthy of the highest commendation.

Nearest to our minds is the Fall Ceremonial, November 28, at the Auditorium, when we exceeded all past records for exhibition display drills. All movements were executed with a snap and precision; your distances and wheelings into line were perfect. Our Potentate could not refrain from showing his acknowledgment of the finest drill he had ever witnessed.

We shall all miss the genial presence of Captain Alexander, who for several years commanded Sphinx Patrol. His death was a sad blow to all, especially the Patrol which he enjoyed to the fullest measure. To know him as I did was to admire him as a man loyal at all times to the many friends he has left behind. We extend our deepest sympathy to Sphinx Patrol upon their great loss.

A marked improvement the past year, which has been a source of great pleasure to me, is the attendance at drills, whereby we are now enabled to drill with full ranks. Accept my sincere thanks for your faithfulness and increased interest.

The personnel of Melha Patrol continues to stand second to none, and I trust this high standard be

maintained in the future as in the past.

To our Potentate, Franklin A. Latimer, I extend my sincere thanks for his interest and loyalty to the Patrol, also for the many favors shown us during his administration. We assure him of our deep appreciation and gratitude.

To my Officers, I am deeply grateful for your faithful service at all times and assurance of appreciation.

To the members of the Patrol, each and every one, individually, for your confidence, loyalty and friendship, also for the many courtesies and respect shown, together with a willingness at all times to promote the best interests of Melha Temple, I am profoundly grateful and extend sincere thanks.

In conclusion, let us be what we are and speak what we think, and in all things keep ourselves loyal to truth and the sacred profession of friendship.

With my heartfelt best wishes for your personal welfare, I am,

Courteously Yours in the Faith,

WILLIAM R. HAMILTON,
Captain Commanding Melha Patrol.
